**Part 4: Test Method**

Please submit Test Method documentation with application.

**Part 5: Marking Approval**

The cigarettes included in this certification have an approved marking of FSC on each pack, carton, and case or other packaging at or around the area of the UPC code as required by NMSA 1978

Copy of State Fire Marshal Approval Dated \_\_\_\_\_ is attached.

Manufacturer proposed marking is attached and submitted with this certification.

The marking complies with NMSA 1978

The marking is in 8-point type.

The point type of the marking is \_\_\_\_\_.

The cigarettes included in this certification have been tested using the following method (check one) and the test results are attached. The manufacturer certifies it will retain the testing data for a minimum of three (3) years and will provide documentation to the State Fire Marshal upon request.

ASTM E2187-04

Alternate method approved by the New Mexico State Fire Marshal. Attach a copy of the State Fire Marshal Division authorization of the proposed testing method

**Part 6: Certification Information Provided to Wholesale Dealers and Agents**

As of the date on this certification, the undersigned manufacturer hereby certifies under penalty of perjury that it has provided copies of the certification to all New Mexico licensed wholesalers dealers or agents as required by NMSA 1978 as well as those who may sell to a New Mexico licensed wholesaler, dealer, or agent, to which they sell cigarettes. The undersigned manufacturer further certifies that it has provided sufficient copies of the cigarette package markings to the wholesale dealers and agents with the instruction that the copies be provided to all New Mexico retail dealers to which they sell cigarettes.

Attach a list of wholesale dealers, and agents including the name, address and phone number, contact person, and number of package markings to which a copy of the certification and markings were provided. If this wholesaler, dealer or agent requests and electronic copy rather than paper copies, please note such.
