Maximizing Funding

In order to maximize all open grant funds, DHSEM will prioritize technical assistance to projects selected for submission to BRIC and FMA first, followed by HMGP-PF, then HMGP as these grants are the first to close.

The Mitigation Unit will provide technical assistance throughout the application period. By the end of November, all sub-applicants will be aware of which funding opportunity each project has been assigned.

BRIC and FMA Timelines

- January 1, 2022 - Final sub-grant application deadline
- January 28, 2022 - Grant Application (DHSEM to FEMA) deadline
- June 2022 - FEMA selection of projects for “Further Consideration”
- Fall 2022 - Respond to FEMA Requests for Information (RFI)
- December 2022 - Grant funds awarded (FEMA to DHSEM)
- January 2023 - Sub-grants issued

HMGP-PF and HMGP Timelines

- January 31, 2022 - Final HMGP-PF sub-grant application deadline
- March 31, 2022 - HMGP-PF application period closes
- April 1, 2022 - Final HMGP sub-grant application deadline
- August 5, 2022 - HMGP application period closes

Sub-grants are awarded as they meet the FEMA requirements for award.

Only if insufficient applications are submitted during the fall application development period, will DHSEM solicit additional applications
