HMA Grant Opportunities

- Building Resilient Infrastructure and Communities 2022
- Flood Mitigation Assistance 2022
- Hazard Mitigation Grant Program - Post Fire 5430

Maximizing Funding

In order to maximize all open grant funds, DHSEM will prioritize technical assistance to projects selected for submission to BRIC and FMA first, followed by HMGP-PF, then HMGP as these grants are the first to close.

The Mitigation Unit will provide technical assistance throughout the application period. By the end of November, all sub-applicants will be aware of which funding opportunity each project has been assigned.

BRIC and FMA Timelines

- January 6, 2023 - Final sub-grant application deadline
- January 27, 2023 - Grant Application (DHSEM to FEMA) deadline
- June 2023 - FEMA selection of projects for “Further Consideration”
- Fall 2023 - Respond to FEMA Requests for Information (RFI)
- December 2023 - Grant funds awarded (FEMA to DHSEM)
- January 2024 - Sub-grants issued

HMGP-PF 5430 Timeline

- September 30, 2022- Notice of Interest (NOI) deadline
- October 28, 2022 - Sub-grant application due to DHSEM
- November 25, 2022 - Request for Information (RFI) will be issued by DHSEM
- January 31, 2022 - Final HMGP sub-grant application deadline
- March 31, 2023 - HMGP application period closes

Sub-grants are awarded as they meet the FEMA requirements for award.

Only if insufficient applications are submitted during the fall application development period, will DHSEM solicit additional applications
